SUPPLEMENTAL RESPONSE TO OFFICE ACTION

January 13, 2003

Commissioner for Patents
Washington, D.C. 20231

Dear Commissioner:

Further to the December 24, 2002 Amendment and Response to Office Action filed in the captioned patent application, applicants submit the present Supplemental Response, which includes the following:

1. A corrected cover page of the Declaration under 37 C.F.R. §1.131 ("Declaration") that was included in the response dated December 24, 2002, and
2. A marked-up version of the cover page showing the correction made to the Declaration.
